FOR ANY FURTHER COMMENTS: J.ROCKELMANN@BIS-SCHOOL.COM

(Dr. ROCKELMANN, PASTORAL LEADER GRADE 10)

OTHER COMMENTS:

Shouzheng was the first student intern I have ever supervised, and thanks to this experience, I am even more motivated to continue supporting student internships from BIS. It was a true pleasure working with someone so intelligent, independent, and curious. His enthusiasm for learning and ability to take initiative made a lasting impression, and I would be delighted to see him continue building a successful career in the semiconductor industry.
